DOINGS OF INTEREST IN THE SONOMA VALLEY

THE MOOSE CLUB PICNIC TOMORROW

Readers, of the Inex-Tribune, we wish to remind you that tomorrow (Sunday), June 20th, was chosen as the date for the holding of the secon' annual picnic, given by the Sonoma Moose Social Club, and Oak Grove will be the scene of the affair.

It is but a reiteration of facts well known to the general public to assure those who look forward with pleasant anticipation to this outing that tomorrow's picnic will be one of the "biggest" and best conducted of the year.

By "best conducted" we mean that it is to be so managed that women and children may enjoy a really pleasurable outing, taking their well-filled baskets and lunching under the luxuriant oaks of the Grove, for this, you know, is to be a genuine, old-fashioned basket picnic, thau which nothing is more pleasure-giving.

Ice-cream, soft drinks, etc., will be for sale on the grounds, and no detail has been overlooked conducive to a good time.

The Sonoma Valley Band has been engaged to furnish music for dancing during the day.

The management and arrangement of the picnic has been placed in charge of the following committees:

Advertising—E. Coates and Jas. Modini.

Finance—George Stickel, Roy Pauli, Charles McDevitt.

Music—Harry Quartaroli and M. Mangiante.

Gate—C. Bain, L. Basaglia, E. Castagnasso.

Wheel and Games—Wm. Russell, W. J. Kistle, F. Lambert, Geo. Goess, Jr.

Floor Manager—J. Poulson.

ANNUAL OPENING OF "HARRY'S INN"

Tonight, (Saturday) the event in Glen Ellen will be the Annual Opening of "Harry's Inn," to which—quoting the big posters announcing the event, "Everybody's going."

Harry Wilkins, proprietor, has innumerable friends throughout the valley, is popular among the "boys," and well liked by all who know him. He is genial, wholesouled and generous in helping all enterprising movements, his hall being gratuitously given for many public benefits. Mr. Wilkins has at all times the best interests of Glen Ellen and the Sonoma Valley at heart, and is worthy of and entitled to the cordial support of the public.

The floor is to be managed by Milton Sobbe, J. Pancrazzi, Jas. Modini and Harry Bird, and music for dancing will be furnished by Craib and Hansen.

Remember, then, that tonight is the date on which "Harry's Inn" is to have its inning. Help to make it a success.

RACE MATINEE A DRAWING CARD

The Driving and Racing Matinee at the Sonoma Track, Sunday, was largely attended, over four hundred people assembling to witness th interesting programme of races arranged.

Of the events pulled off, perhaps the keenest interest was in he pony race between Kehoe's Titanic and Potter's Schellville Boy. On the announcement of this race, Titanic's admirers believed the proud little animal a sure winner, but when Schellville Boy tossed up his handsome head, preparatory to the run, the delighted onlookers realized it was a risky proposition to wager on the outcome.

APPROPRIATION FOR CURB AND GUTTER

The news that Senator Herbert Slater has secured an appropriation of $300 for the construction of curb and gutter around Sonoma's old Mission, San Francisco del Solano, has been received with much satisfaction. Governor Johnson has signed this bill, and has also affixed his signature to that appropriating $2000 for the restoration of the old Greek chapel at Fort Ross.

Returns from Visit

City Trustee Claud Johnson has been wearing a broad smile the past week, the cause of which was the return on Friday evening of last week of his wife and little son Maxwell who for the last month visited with their relatives, the Geo. Zane family, at Woodland.

Amusement Manager Landers Stevens is certainly "making things hum" at Boyes' Springs, and the popularity of the big resort increases weekly. No resort in the valley is providing as many novelties in the amusement line as are presented at Boyes' Theatre. The special entertainments of Wednesday and Thursday nights have become so popular that the capacity of the play-house is over-taxed by increasing patronage. Mr. Stevens has exerted himself to secure versatile and really excellent talent for these two nights' entertainment, and is to be complimented on the splendid success which has thus far attended his efforts. Next week, Mr. and Mrs. Stevens (Georgie Cooper) will appear in a big scenic production of the great dramatic success, "Lead, Kindly Light," with twenty people in the cast. Among those to assist will be Masters Jack and George Stevens, the clever little sons of the dramatic stars. The young artists appear in the above scene from the play. All entertainments at Boyes' Theatre are followed by dancing, and the admission fee on all occasions is kept at the nominal price of ten cents.

NATIVE SONS TO HOLD PLAZA DAY

At the meeting of Sonoma Parlor, No. 111, N. S. G. W., held recently, it was decided to hold another Plaza Day on Thursday, June 24th. All of the work is to be done in the Native Sons section of the Plaza, and you are urgently requested to be on hand with either a wagon or a shovel and help the Parlor to put our grounds in shape for lawn planting. The dirt that is to be hauled is on Lower Broadway, and we trust that you will be on the job, to help make the day a success.

Yours truly,
PLAZA DAY COMMITTEE.

The above request, on postcards, was sent out this week by Chairman Wm. Von Hacht, of the Plaza Day Committee of Sonoma Parlor Native Sons of the Golden West and is self-explanatory.

It means, residents of Sonoma, that the energetic members of the fraternity are determined to pursue the work of improvement until the grounds set aside for the Native Sons' section, and which are graced by the memorial bronze monument to the Bear Flag, have become a fitting background for the figure of the sturdy pioneer.

Thursday of next week will be a very busy day, and when the last shovelfull of earth has been tossed in place, on the date chosen for Plaza Day, there will be a good many tired Native Sons, but as a recompense they can view with satisfaction their big accomplishment in the way of creating a garden spot in the most noteworthy section of the plaza.

MASK BALL AT AGUA CALIENTE

An event of next week to be looked forward to is the first masquerade ball of the 1915 season. This takes place at Agua Caliente Springs' New Auditorium and Festival Hall, Saturday night, June 26th.

The music for this occasion will be furnished by the Blackman Brothers'—a trio of the finest musicians in California. During the short time these gentlemen have been playing at Agua Caliente Springs, they have become recognized as musicians of exceptional talent and they are proving a splendid drawing card for the handsome new playhouse just completed at the big resort.

Blackman Brothers rendered several appreciated selections at the Boys' Club Dance, in Glen Ellen, last Saturday night.

Entertaining Relatives

Mr. and Mrs. S. J. Erazmus are entertaining their mother and sister, Mrs. C. F. and Miss Ida Miller, of Kansas City, Missouri. After a short visit here, Mrs. and Miss Miller will go to San Diego and then return to Sonoma to spend the winter with Mr. and Mrs. Erazmus.

EXCITING BALL GAME AT BOYES'

Last Sunday, on the Boyes' Springs' diamond, the Sonoma team fought nine innings to a tie. The score was 3 to 3.

It was one of the best games ever played or witnessed at Boyes' for the teams were well matched, and each nine held its ground with surprising firmness.

In the ninth inning, an argument arising, the game was called.

Lefty Helberg pitched a great game, holding the Boyes' team runless until the eighth inning. Lefty also struck out ten men, and allowed but six hits.

Jack Maroni pitched "some" game himself for Boyes'. Maroni allowed but four safe hits.

Smith, who formerly caught for Sonoma, was behind the bat for Boyes'.

George Block caught in great style for Sonoma—not a base was stolen on George.

Lindley, our new short-stop, played a "nifty" game, and is a tower of strength to the Sonoma ball team.

Captain Evans looks after first base "a la Hal Chase" for Sonoma. Ralph also got a nice hit.

Dutch Andrieux made a great catch of a line drive that was labelled for a home run.

The Sonoma nine gave their pitcher brilliant support, making but one error behind him.

There will be no ball game Sunday, June 20th, on account of the picnic to be given at Oak Grove by the Moose Social Club.

VILLA SAVOY TO BE FORMALLY OPENED

Another event scheduled for Saturday night, June 26th, is the formal opening of Villa Savoy, the popular resort conducted by Mr. and Mrs. L. A. Wachlin, at El Verano.

Mr. and Mrs. Wachlin leased the Villa Savoy last year, enjoying so prosperous a season that they have spared no effort or expense in arranging for the reception and comfort of their 1915 guests. The resort deserves the extensive patronage it enjoys.

The Asti Orchestra will furnish music for the occasion, and other arrangements are being perfected to insure a fine time.

Mrs. Boynton at Home

F. W. Boynton motored to San Francisco the week-end, returning Sunday evening, accompanied by his wife. Mrs. Boynton had been visiting for a fortnight with her sister, Mrs. C. C. Riedy.

Visiting Sonoma Relatives

Mrs. M. H. Rowell is enjoying the pleasure of a visit from her mother, Mrs. C. D. Merrill, of Los Angeles. Mrs. Merrill expects to spend the greater part of the summer in Sonoma.

Sold Another Ford

Mr. and Mrs. N. J. Heggie and family are now revelling in the pleasures of motoring, having purchased a Ford Car from the well known and reliable firm of Busby & Coates. The trustworthiness of this firm and the popularity of the Ford is unquestioned.

Some "Twenty Years Ago" In Old Sonoma

(FROM THE SONOMA INDEX-TRIBUNE OF JUNE 22, 1895.)

The past week has been a scorcher, the thermometer varying between 90 and 110 degrees in the shade during the afternoons of every day this week This is the longest hot spell that Sonoma Valley experienced in many years.

An exciting baseball game was played in this place last Sunday between the Napa and Sonoma Nines. The latter club was badly handicapped, as most of their crack members were absent, and their places had to be filled by a number of small boys, who were very poor fielders and no batters at all. The game for the Sonoma's was practically played by James Landy, Andy Conlin, Harvev Perkins, Charley Brundage and George Fouts Nine innings were played, and at the conclusion of the game the score stood 21 to 30 in favor of Napa.

The Class of '95, Sonoma Valley Union High School, were presented with their diplomas by Superintendent Davis at Union Hall on Monday evening. Handsome white silk mull, in every way suited to the occasion, was worn by the youngest of the fair graduates, Miss Mabel Lowell. Miss Anna Wadsworth was gowned in white silk and lace, the beauty of which was its simplicity, as were all the gowns of the young lady graduates. Miss Mabel Sellers and Miss Florence Thompson also wore white silk, and Miss Lizzie Harper was attired in a beautiful gown of white cashmere and ribbons. All the young ladies wore white slippers and carried fans of the same color on which was a bow of yellow ribbon. The ball was decorated with the class colors—gold and white—interspersed with evergreens and flowers.

BELOVED WOMAN CROSSES DIVIDE

In the death of Mrs. Susie T. Enos, which occurred at her Broadway residence, Saturday afternoon, June 12th, at 3:45 o'clock, there passed from our midst one who for years had been a prominent resident of the valley, and a leader in the affairs of the City of Sonoma.

Two weeks ago, Mrs. Enos was stricken with paralysis, and on Thursday of last week, the hand of the Grim Reaper was laid upon her in the fatal stroke, since which time she lingered in a comatose condition until the inevitable summous reached her.

Mrs. Enos was born in New York City, May 28, 1842, hence was seventy-three years of age when the sands of her life completed their course. Iu '41, she removed with her husband, Attorney John S. Enos (deceased), to California coming to the Sonoma Valley in 1880. Later on, she again spent a few years in San Francisco, returning to Sonoma about nineteen years ago. Here Mrs. Enos had since continuously made her home, honored by the community at large, beloved by a wide circle of friends. The home of Mrs. Enos was noted for the lavishness of its hospitality throughout the valley, and was the scene of many brilliant social gatherings.

The highest attribues of womanhood, the purest and loftiest ideals characterized her life, and the rigid code of principles adhered to by herself, she exacted of her intimate associates. To claim her friendship was a favored and appreciated privilege.

Mrs. Enos is survived by her stepdaughter, Mrs. Wm. Willis, of Elko, Nevada, five neices and three nephews.

The funeral was held from the family residence, Monday afternoon, Rev. Edwin F. Brown, of the Methodist Episcopal Church, impressively conducting the services, in the presence of a host of sorrowing friends.

The remains were laid to rest in Mountain Cemetery beneath a pall of beautiful flowers.

PETALUMA DRIVER BADLY INJURED

An unfortunate occurrence of Sunday's races, was the serious accident which befell John Grimes, the well-known Petaluma horseman. Mr. Grimes drove Glenwood Mac, a handsome, high-spirited animal, and in the handling of the pacer, Mr. Grimes received a terrific kick in the chin, the force of the blow knocking out nine teeth, and inflicting a laceration which required several stitches to close. Dr. A. M. Thomson attended Mr. Grimes, who, after surgical attention, despite the ex reme severity and shock of the injury, proved his "gameness" by returning to the course and driving Glenwood Mac another heat, coming within a length of winning the race.

QUIETLY WEDDED

The many friends of Miss Madaline Monroe, of Sonoma, will be agreeably surprised to hear of her marriage to John Martin Morrison, of Fulton, Sonoma County, which was quietly celebrated Friday of last week, at the home of the groom's mother.

The bride was born in Lakeport, but has lived for years in this city, where she has a wide circle of friends to wish her happiness. She is the sister of Mesdames Frank McGill, J. MISS HELEN ROWELL A CHARMING BRIDE

June was truly at her fairest and best, Saturday last, when Miss Helen Rowell became the bride of Arrthur B. Inham, Superintendent of Schools of Lynn, Washington. The nuptials were solemnized at high noon, at the Soderberg home, south of town, which the Rowells had been occupying.

The ceremony was performed out-of-doors, in the arbor, Rev. T. M. Price reading the marriage service. Miss Rowell was lovely in her bridal gown of clinging white charmeuse. A veil of tulle, held in place with sprays of lilies-of-the-valley, and a shower of the same dainty blossoms, mingled with Bride roses and ferns, which she carried, added to her charms.

Prof. and Mrs. Inham will spend some time in Berkeley, before proceeding to their home in Lynn, Washington.

The bride, a sister of Principal Maurice H. Rowell of the Sonoma Valley Union High School, is a young woman of winsome, delightful personality, and endeared herself to many friends during her residence in our city. Under her supervision and instruction, the Domestic Science Department, instituted in the local High School last year, proved a splendid success. The bridal pair carry with them cordial best wishes for their happiness and prosperity.

MRS. CASSON IS HOSTESS TO CLUB

The attractive home of Mr. and Mrs. E. T. Casson, on Napa Street, was the scene of a pleasurable function, Tuesday evening, the occasion being the first of a series of socials, to be given under the auspices of the "White Shell Club," an auxiliary to the Sonoma Valley Poultrymen's Federation. The membership of the former organization is made up of the wives of Federation members, and the ladies wisely believe there is no more satisfying method of co-operating with the sterner sex, than in congenial social gatherings.

Only Club members and their families were present to enjoy this successful event, for a better time could not well be imagined.

The grounds were prettily illuminated, and the interior of the cozy home tastefully decorated with masses of Yellow Broom and greenery. Dancing was indulged to the very excellent Craib-Hansen music, cards and fortune-telling were interesting features, and at midnight an appetizing supper was served.

ENTERTAINS FRIENDS AT GARDEN FETE

The luxuriant gardens surrounding the substantial Michelssen and Chase residences were utilized for the entertaining of a number of the friends of Mesdames Michelssen and Chase, Wednesday afternoon.

The day was ideal for an out-of-door fete, and the guests enjoyed the hours immeasurably. Five hundred and croquet were the diversions of the occasion. Mrs. M. Clewe won first honors at cards, Mrs. Pauline McMullin was second, and Mrs. W. F. Clewe was successful in the "cut" for consolation prize. The prizes for skill at croquet were won by Mrs. J. A. Landsborough and Miss Meta Stofen.

The serving of delicious refreshments rounded out this to-be-pleasantly-remembered afternoon.

Harry Lutgens has given up his position in Los Angeles and returned to Sonoma, where he contemplates remaining and embarking in business. Mrs. Lutgens has been undergoing medical treatment in her home county for the past two months, and it was due to the fact that climatic conditions here are more conducive to her health that the young people gave up their home in the southland and returned to the Valley of the Moon. It truly is a pleasure to welcome back this popular young couple. They are both so likable and worthy of the many friendships they enjoy.

Miss Florence Green is enjoying a visit from her friend, Miss Dorothy Lycette, of San Francisco.

Mrs. Grace I. Granice is spending a part of the week-end at the "Old Homestead," at Cloverdale.

Dr. and Mrs. H. W. Gottenberg enjoyed a Sunday-morning-to-Monday-evening visit viewing Exposition sights.

Mrs. Charles Cheney and little son are here from Sparks, Nevada, visiting at the home of her parents, Mr. and Mrs. Wm. Durrant.

Last Tuesday, Mrs. Wm. McElroy delightfully entertained St. Barbara's Guild. No further meetings will be held until after the usual vacation, when on August 24th, Mrs. J. McElney will be the hostess.

Librarian Miss Kate McDonell attended the meeting of the California Library Association, which convened in Berkeley, June 3rd to 9th, inclusive. During the absence of Miss McDonell, the Sonoma Library was in charge of Miss Adele Livernash.

JUDGE MELVIN WELCOME GUEST

In anticipation of the arrival of Supreme Justice H. A. Melvin, at Boyes' Springs, Thursday night, Judges Frank Kerrigan and Thos. Lennon fo got their afternoon siesta in order to prepare a fitting welcome for the distinguished incoming guest.

The occasion was one to be well remembered at Boyes. A procession, headed by Geo. Cause, as Drum Major, followed by "his band", which consisted of drums, accordions, tambourines, and plenty of tin cans, met His Honor at the station.

Of course, too, the Judge was greeted by a committee of the fair sex, and, on his arrival, was immediately assisted into his beautifully decorated Victoria (a replica of the historic equipage which conveyed Washington across the Delaware), drawn by two white steeds.

Judge Kerrigan, as guard of honor, played his part well, and appeared fearlessly mounted upon his bay broncho.

The procession proceeded around the grounds, thence to the Boyes' Hotel. In appreciation of the welcome accorded Judge Melvin, the noted jurist delivered a short address of appreciation. In closing, the speaker credited Judge Kerrigan with "too much Boyes' Water" for so memorable an occasion.

DAMAGES SOUGHT

In the Superior Court, Tuesday, the trial of the suit of Frank Guffin for $20,000 damages against the Board of Supervisors of Sonoma County was commenced.

The suit, as is generally known to our readers, grows out of an accident on a bridge in Nun's Canyon, last year, in which the son of Guffin lost his life.

Card of Thanks

We wish to express heartfelt thanks to the many friends of our beloved mother and friend, Mrs. Susie T. Enos, for their tender ministrations to her during her last illness, and for the sympathy expressed when death summoned her. We are also deeply grateful for the beautiful floral tributes.

MR. AND MRT. WM. WILLIS,
MR. IDA B. DORMAN,

Sonoma Valley Wines Awarded Grand Prix at the Panama Pacific Exposition.

Again has the superiority of Sonoma Valley wines become world recognized, and fame placed her laurel on the incomparable vintage product of the peerless Valley of the Moon.

Sonoma County and particularly our section of the county has again added to its world-wide reputation as a wine and brandy producing section of highest excellence.

The Jury of Awards of the Panama-Pacific International Exposition has awarded to the Gundlach-Bundschu Wine Company, of Sonoma, San Francisco, and New York, the Grand Prix for California Red Wine.

The vintage for which this award was given, was for a Chateau wine of the Bordeaux type, which is considered by connoisseurs the highest type of red wine. It is a wine made from the Cabernet grape, grown on their famous Rhine Farm Vineyards, and sold under the label of Chateau Gundlach.

Furthermore, the manufactured product of the firm of Gundlach Bundschu Wine Company, received the highest award of any California brandy.

This firm entered twenty varieties of wine in open competition, and besides the above-mentioned awards, received six Medals of Honor and ten Gold Medals, which again attests the superiority and high standard of the wine produced here by this old and renowned firm.

Looking Out Over the Famous Rhine Farm Vineyards

Honors for the superiority of Sonoma Valley wines have been generously shared with the well-known firm of Dresel & Company.

Dresel & Company, it will be remembered, had the distinction of winning the grand prize at the St. Louis Exposition in 1904, and now at the San Francisco Exposition, the greatest of world's fairs, this notably successful wine-making firm has again come into prominence by being awarded first and second prizes for wine above all other world competitors.

Dresel & Company had the proud

"Old friends, old books, old wine,—these three are altogether good. And where they are found together, you shall have an adventure in contentment."
